REQUEST FOR CORRECTION OF APPLICATION
FILING RECEIPT

Sir:

In reviewing the Filing Receipt for the above-identified application, it has come to our attention that there is an error in the application as follows:

Under "Domestic Priority data as claimed by applicants", the filing receipt improperly indicates that the subject application, Application No. 10/723,531 is a CIP of Application No. 09/454,453. As indicated in the priority claim of the subject application, the subject application is a continuation of Application No. 09/665,859, which in turn is a continuation-in-

part of Application No. 09/168,502 and Application No. 09/454,453. The following is Applicants' claim for priority:

This application is a continuation of U.S. Patent Application No. 09/665,859, filed on September 20, 2000, now U.S. Patent No. 6,681,946, which is a continuation-in-part of U.S. Patent Application No. 09/168,502, filed on October 8, 1998, now U.S. Patent No. 6,382,442, which claims priority under 35 U.S.C. §119(e) to U.S. Provisional Patent Application No. 60/082,372, filed on April 20, 1998, and U.S. Patent No. 09/665,859, filed September 20, 2000, now U.S. Patent No. 6,681,946 and is a continuation-in-part of U.S. Patent Application No. 09/454,453, filed on December 6, 1999, now U.S. Patent No. 6,189,580, which is a continuation of U.S. Patent Application No. 09/031,302, filed on February 26, 1998, now U.S. Patent No. 6,003,566.

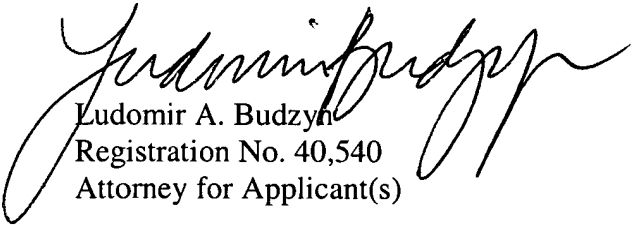

A copy of the Filing Receipt is enclosed including a change annotated in red indicating the proper priority change.

In view of the above, correction of the Filing Receipt is respectfully requested. As the error was due to a Patent Office mistake, Applicants submit that no fees are required to make this correction. However, if any fees are required, please charge to Deposit Account No. 08-2461.

Application No.: 10/069,682
Filing Date: February 22, 2002
Docket No.: 1181-3 PCT/US

Receipt is acknowledged of this regular Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Filing Receipt Corrections, facsimile number 703-746-9195. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).
